

FROM THE DESK OF

*Santa Claus*

You have been: NICE

In honor of your outstandingly nice behavior this year you are being given a special present. You will receive a one of a kind doll made from your own unique drawing.

Please send your amazing drawing to the North Pole where the elves and I can get to work on your special present. Soon you will have a doll to hold and play with that will look just like your drawing.

I can't wait to see what you create!
